## 3. Guided Tour - Old Town Walk - 17th of June 2016

### History, Customs, Culture & Architecture

The Old Town Walk serves up history, explanations of Swedish customs and culture, as well as beautiful architecture, all in the wonderful setting of the Old Town.

In just 1.5 hours you will learn among other things: how many rooms the Royal Palace has, what the statue of Saint George and the Dragon really means to Swedes, why the Old Town is bigger today than when it was first founded, where the narrowest alley in the Old Town is, and, what the Swedes used to put in their beer. In the summertime we continue out to the island of Riddarholmen for stunning views of the lake side of the city.

In short: With our stories, legends and humor, we make the Old Town come alive.

**When?** Friday 17<sup>th</sup> of June at approximately 3 PM.
